

## About the Saskatchewan Health Authority

The Saskatchewan Health Authority (SHA) is the largest health care provider in Saskatchewan, employing more than 44,000 employees and 2,700 physicians. Together, we are responsible for the delivery of safe, high quality health care for the entire province.

### Benefits

SHA provides a comprehensive benefits package including:

Extended Health and Dental benefits

Defined-Benefit Pension Plan

Life and Disability Insurance

MyWellbeing Program - resiliency resources, mental health & family supports

Annual Vacation

In addition to benefits, SHA employees are also eligible for the Saskatchewan Healthcare Employees' Pension Plan (SHEPP).

### Incentives

Current opportunities with the SHA may be eligible for recruitment and relocation incentives. Incentives are generally offered based on need and location.

### Facilities and Locations

We are the largest employer in Saskatchewan and the second-largest health care system in Canada. We have:

270 facilities

9,000 long-term care beds

63 hospitals

2,500 acute care patient beds

### Unions and Seniority

Most positions within the SHA are unionized, providing its members rights and protection. Seniority is based on hire date and will start to accumulate when you commence employment in a unionized position.

### Healthy People, Healthy Saskatchewan

The Saskatchewan Health Authority works in the spirit of truth and reconciliation, acknowledging Saskatchewan as the traditional territory of First Nations and Métis People.
